# About Me

*"Hii, I'm Faris Anang Purnama, Fresh graduate in majoring Atmospheric and Planetary Sciences from Sumatera Institute of Technology , with experience in data analysis, satellite technology, and the development of Machine Learning models for weather prediction."*

*My*

# EDUCATION

Sep 2020 - Mei 2024

## Bachelor of Science

*Sumatera Institute of Technology (ITERA)*  
*Graduate in Atmospheric and Planetary Science*

July 2017 - Mei 2020

## Senior High School

*Islamic Boarding School of Alhusna*  
*Science (IPA)*

*Work*

# EXPERIENCE

**Telkom Satelit Indonesia**  
Student Intern

**Great Giant Pineapple**  
Lecture Project Assistant

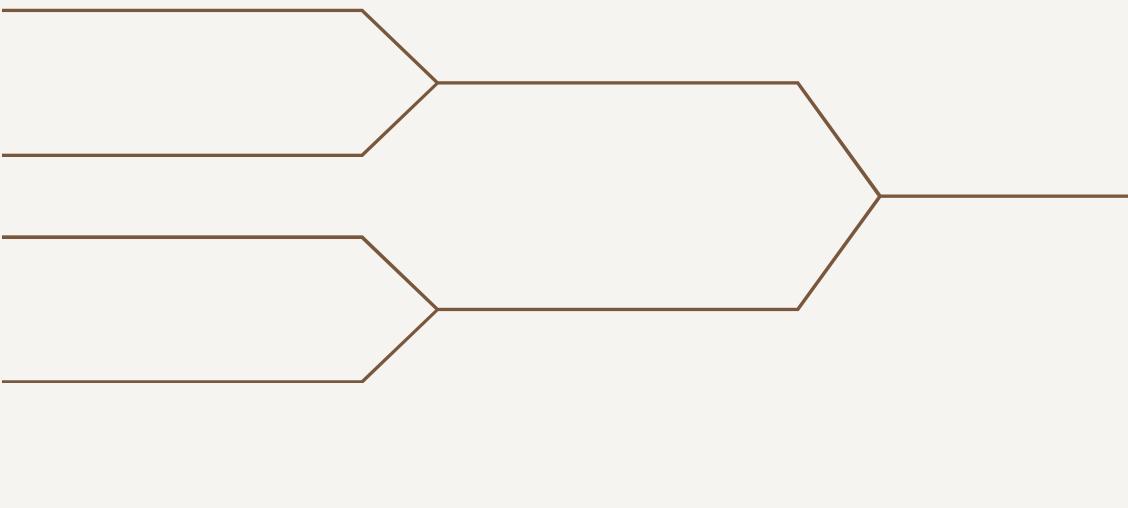

**Atmospheric and Planetary Science  
Student Association**  
Chairman of the Business Industry  
Division
